SPRING 2026

## REFUEL NORTH RECAP

Kyle McClain was the main speaker at reFUEL North this year and in interviewing a few of the participants, they had a few main takeaways.

One is that teens are having some disadvantages in the church which leads to issues in the future.

Applying your faith and practicing disciplines (like prayer, Bible reading, and regular church attendance) helps to grow your

faith and stay close with God in the future.

Another thing that stood out to the kids was Kyle's reminder that you don't always have time to change or rekindle your faith. Sometimes circumstances shift in the blink of an eye, and there is no more time left.

Outside of the message time, they enjoyed many board games, meals, and other fun activities throughout the weekend!

## UPCOMING

FUEL registration is anticipated to open very soon! Check out the [registration page](#) for details. Class and workshop descriptions will be added soon.

## MISSED SOMETHING?

Memory verses for quizzing this year were emailed out. If you missed that, check out our online [quizzing page](#).

## WATCH ONLINE

Interested in watching content from previous events? Check out the [TPYM YouTube](#) page to see what is available!
