JUNE/JULY 2026

FUEL REGISTRATION

Early Bird pricing for FUEL has ended, but one thing we have been able to offer in recent years and are doing again is to extend this price for first time participants!

Having early numbers helps enormously with the planning, but we know that so many states and regions have their own camps in June, and this might be the first

time that some students hear about FUEL. We don't want not having heard about it before and the cost to keep someone from coming, so we are thrilled to continue with this.

If you are attending one of those camps, be sure to tell your friends about FUEL and encourage them to register!

UPCOMING

FUEL registration is still open. Check out the [landing page](#) for details as well as class & workshop summaries.

MISSED SOMETHING?

If the cost of FUEL is a concern, please fill out a scholarship application on the [registration site](#) (after logging in).
