FUEL 2026 Recap

We came to FUEL to “Burn The Ships” as we looked at what things were holding us back from following Christ.

On Wednesday night, we gathered outdoors around a large bonfire, burned a paper with something we needed to leave behind, and wrote a note to ourselves of what we wanted to remember after we left. As we took communion together, we remembered that we will get to do this with Christ one day in the Kingdom and get a small glimpse of that now.

As one of the directors shared on Thursday, this week, we got to listen to 8 messages, have 8 classes/workshops, sing 52 worship songs (or more for the young adults), have 30 large group prayers plus many more opportunities in smaller groups, and spend 16-20 hours in fellowship each day (and again, maybe more for those young adults that don't sleep at all). Is it any wonder we finish the week feeling closer to God? As we prepared to head home, we were reminded to fuel your fire, stay connected, and provide your fire with air to breathe as sin will smother it.

UPCOMING

reFUEL South – [registration is open!](#)

October 9th-11th, 2026

Quiz-Mas: December 4th-6th, 2026

reFUEL North: January 15th-17th, 2027

FUEL: July 11th-16th, 2027
